Image simulated for representational purpose only. Color and model availability may vary depending on country or carrier. Product features may vary basis model. S Pen available with all models of Galaxy Tab S9 Series. Galaxy Tab S9, Tab S9+, and Tab S9 Ultra are rated as IP68. Based on test condition for submersion in up to 1.5 meter of fresh water up to 30 minutes. Not advised for beach or pool use. Water and dust resistance of device is not permanent and may diminish over time because of normal wear and tear. *Snapdragon is a trademark/registered trademark of Qualcomm Technologies, Inc. and/or its affiliated companies. **Measured diagonally, Galaxy Tab S9 Ultra's screen size is 36.99cm in the full rectangle and 36.83 cm, accounting for the rounded corners. Galaxy Tab S9+'s screen size is 31.50cm in the full rectangle and 31.47cm accounting for the rounded corners. Galaxy Tab S9's screen size is 27.81cm in the full rectangle and 27.56cm accounting for the rounded corners. Actual viewable area is less due to the rounded corners and the camera hole. Above mentioned sizes might vary for Galaxy Tab S9 series all models. #Actual internal storage may vary.

 **Dynamic AMOLED 2X**
verified by Samsung Display

Get a crystal-clear, comfortable view

Whether you choose Galaxy Tab S9, Galaxy Tab S9+ or Galaxy Tab S9 Ultra, each is ready to bring your creative vision to life. All three feature a Dynamic AMOLED 2X display*, delivering stunning color and visuals. Plus, it's easy on the eyes with reduced blue light emission.

Enhanced outdoor viewing with Vision Booster

Vision Booster* lets you see your screen clearly in brightly lit areas thanks to an intelligent outdoor algorithm that detects the sun's glow and shifts to match. Go between the studio and patio with ease thanks to contrast and color enhancements to keep things vibrant.

Image simulated for representational purpose only. *The Dynamic AMOLED 2X display on Galaxy Tab S9 Series received a certification from VDE Germany for 100 percent Mobile Color Volume in the DCI-P3 color range, which means your images aren't washed out and you'll get unbelievably vivid colors regardless of differing levels of brightness. The display can achieve peak brightness of up to 930 nits, improving the contrast between dark and light aspects of digital content for a more brilliant picture quality, with a 1000000:1 contrast ratio to make your mobile experience more immersive. Galaxy Tab S9 Series have maximum brightness of 420 nits with peak brightness of 750 nits for Tab S9, 650 nits for Tab S9+ and 930 nits for Tab S9 Ultra.

The first water and dust-resistant Galaxy S tablet[#]

When the day gets tough, the Galaxy Tab S9 Series stays sturdy and durable. The smooth metal design is suited up with our strongest Armor Aluminum⁸ frame — living up to its name by protecting your tablet from shocks and drops. And the IP68 rating means it's our first water and dust-resistant. Galaxy Tab S Series ever charging, just snap it on to charge.

S Pen. Stronger, faster, more responsive^{###}

We rebuilt the included S Pen to be IP68 water resistant[#], just like the tablet. It's also improved across the board, with enhanced tip sensitivity for less accidental clicks. And with the magnetic attachment and bidirectional charging, just snap it on to charge.

Image simulated for representational purpose only. [#]Galaxy Tab S9, S9+, S9 Ultra and S Pen are rated as IP68. Based on lab test conditions for submersion in up to 1.5 meters of freshwater for up to 30 minutes. Not advised for beach or pool use. Water and dust resistance of device is not permanent and may diminish over time because of normal wear and tear. The inbox S Pen for the Galaxy Tab S9 Series is water and dust-resistant S Pen with an IP68 rating. Based on lab test conditions for submersion in up to 1.5 meters of freshwater for up to 30 minutes. Not advised for beach or pool use. Water and dust resistance of the S Pen is not permanent and may diminish over time because of normal wear and tear. Dust resistance rating is tested under lab conditions by a third party: 2kg of talc powder (max. diameter of 0.05mm) per cubic meter was blown into a test chamber housing the device (air pressure within device kept below surrounding air) for 2 hours. S Pen is rated as IP6X. Dust-resistance may vary by actual usage conditions. ^{##}Remove any excess water from the S Pen with a dry cloth or towel before using or attaching it to tablet. Compared to S Pen previous model.

Next-gen processor for next-level, lifelike gaming

The extremely fast Snapdragon® 8 Gen 2* for Galaxy processor is intelligently engineered to deliver revved-up performance and power savings for champion-level gameplay. The graphics engine powers true-to-life reflections and shadows in 3D gaming environments for immersive gaming.

Unified design. The beauty is in the details**

It's always the smallest things that matter most. Like the floating camera design on the back — crafted to elegantly encapsulate the upgraded camera system. We even reimagined the side buttons and speaker arrangement to feel more familiar.

Image simulated for representational purpose only. Colour & model subject to availability. *Snapdragon is a trademark/registered trademark of Qualcomm Technologies, Inc. and/or its affiliated companies. **The image depicts features of Galaxy Tab S9 Ultra. Compared to Galaxy Tab S8 Ultra, Tab S9 Ultra features an upgraded 13MP and 8MP rear camera and 12MP and 12MP Ultra Wide front camera. Compared to Galaxy Tab S8+, Tab S9+ features an upgraded 13MP and 8MP rear camera and 12MP Ultra Wide front camera. Galaxy Tab S9 features a 13MP rear camera and 12MP Ultra Wide front camera.

Elevate your notetaking, optimized for the big screen

Let your imagination run wild on pro-level notetaking with GoodNotes* — optimized to provide a seamless S Pen experience and feel of writing on actual paper. Sketch in portrait view and edit in horizontal view, or vice versa.

Store all your inspiration with microSD support

Choose up to 1TB internal storage**, sketch your masterpiece with GoodNotes, then grab your microSD to add on more storage in case you need even more room for your videos, compositions, hi-res photos and more. Storage up to 1TB Micro SD touches with precision.

Stay creative on the move with a long-lasting battery#

Keep the creative juices flowing with the long-lasting battery. It's got enough power to get you through your day and even spare some in case your phone needs a boost, too. Plug in your Samsung Galaxy smartphone with a USB-C cable and Fast Charging takes care of the rest.

Image simulated for representational purpose only. Colour subject to availability. S Pen available with Galaxy Tab S9 Series all models. *GoodNotes is a third party app and can be downloaded from the Galaxy store and comes with a 1-year free full version. Third party images/logos/marks are trademarks/registered trademarks of respective third parties brands/owners. Once the free full version period ends, an additional purchase is required for continuous use. App availability and the terms of service may vary by country and region. **Availability of 1TB internal storage option may vary depending on country, region or carrier and actual storage availability may vary depending on pre-installed software. Memory and storage options vary by model: Galaxy Tab S9 Ultra – 16GB memory and 1TB storage, 12GB memory and 512GB storage, 12GB memory and 256GB storage; Galaxy Tab S9+ – 12GB memory and 512GB storage, 12GB memory and 256GB storage; Galaxy Tab S9 – 12GB memory and 256GB storage, 8GB memory and 128GB storage. *Typical value tested under third-party laboratory conditions. Typical value is the estimated average value considering the deviation in battery capacity among the battery samples tested under IEC 61960 standard. Rated (minimum) capacity is 10880 mAh for Galaxy Tab S9 Ultra, 9800 mAh for Galaxy Tab S9+ and 8160 mAh for Galaxy Tab S9. Actual battery life may vary depending on network environment, usage patterns and other factors. Charging is supported when the Galaxy Tab S9 Series display is turned off and the battery level is at least 30%. Charging from Galaxy Z Flip5, Galaxy Z Fold5, Galaxy Z Flip4, Galaxy Z Fold4, Galaxy S23, Galaxy S22, Galaxy A53, Galaxy A33 and Galaxy Tab S8 series, using a Type-C cable. The power source is determined on a random basis when sharing battery power between Galaxy Tab S9 Series. Charging speed may vary depending on charging conditions and other factors. Using the original Samsung data cable is recommended. Samsung Galaxy smartphone sold separately.

Shoot on your phone, share it to your tablet

Move massive files from one Samsung Galaxy device to another in a flash with Quick Share*. Open up LumaFusion** to take advantage of the expansive screen to edit, cut and add final touches with precision.
